From the Desk of Rabbi David E. Fass

Marian and I would like to thank all of you for your outpouring of kindness during my recent surgery and recovery. Although there were too many cards, letters, donations and other expressions of concern to respond to individually, please know that I am deeply grateful to each and every one of you. You are largely responsible for my speedy return to good health,

Sincerely, Rabbi Fass

Cantor's Notes

President

Transitions, though sometimes difficult, are exciting at the same time. There is so much to learn and even more to get done. Still however, I am excited about the possibilities! By the time you read this article I will have been Temple President for about one week. While the responsibility is awesome, I am fortunate to have the support of a committed Board of Trustees, the Clergy and the Religious and Nursery School Faculties. Many of you have been kind enough to offer your assistance as well.

Together I know we can continue to transform Temple Beth Sholom into a warm and caring community that strives to meet the needs of all its members. Planned for the upcoming year are new Youth Group Programs, dynamic family education programs in

the religious school, a new "Chai Society" for empty nesters and new music programs for all ages. Adult Education, Torah Study, Social Action, and Outreach programs will continue. This list is by no means all-inclusive.

Do understand that YOU are an important part of Temple Beth Sholom. These programs exist for YOU and require YOUR participation to be successful. If there is something you would like make happen at Temple I urge you to let me know personally (638-3659), or drop a note in our new Suggestion Box in the lobby across from the Tree of Life.

In closing I would like to thank Cantor Shore for her tireless efforts on behalf of our congregation and wish her well as she begins her own transition to her new congregation in Sommerville, New Jersey.
